### **HIGH SCHOOL TECHNOLOGY INITIATIVE PROJECT INFORMATION**

---

Please provide the following details about your high school technology project.

High School Name:

Applicant's Affiliation with High School:

Brief Description of Technology Project or Initiative:

Does the project address one of the following (circle YES or NO to all applicable questions):

- Promotes the positive impact of technology in various learning activities: YES or NO
- Utilizes technology to promote interests in STEM (Science Technology Engineering Mathematics) related careers: YES or NO
- Utilizes technology to benefit high school students: YES or NO
- Applies technology to improve and advance the learning of students: YES or NO

Timeline and Budget for Project (Attach both documents in detail to application. This is a requirement. Provide relevant quotes or invoices to support cost of project.) *Please note that the \$20,000 funding is to be spread out amongst all selected high school projects; therefore, project budgets must be within reason to ensure financial assistance can be provided to multiple high school projects.*

## **ESSAY STATEMENT**

---

Essay - Please tell us in 1000 words or less why your proposed technology project should be awarded as a recipient of Bluesky's High School Technology Initiative fund. (Feel free to prepare your essay in a separate attachment if there isn't sufficient space below for your essay.)

## **CERTIFICATION**

---

If I am selected as a winner and in consideration thereof, I understand, agree and hereby grant permission to Bluesky to use my likeness and name in announcing and promoting this High School Technology Initiative Project. I understand and agree that the Bluesky Selection Committee is solely responsible for the selection of winners and its decisions are final. In submitting this application, I certify that the information is complete and accurate to the best of my knowledge.

I understand and agree that falsification of information will result in the termination of the Bluesky's High School Technology Initiative funding to the selected project.
